Re. PRC Docket No. RM2018-1 10/23/2017 No. 102230 (Answer of USPS in Opposition to U.S. Chamber of Commerce Motion to Unseal Library Reference and Motion to Request Issuance of Information Request)

Dear Mr. Alverno,

Canada Post Corporation (CPC) appreciates the efforts of USPS to oppose the above Motion of the U.S. Chamber of Commerce (Chamber).

As an interested third party CPC most emphatically supports USPS's Answer requesting the PRC to order that the Library Reference USPS-LR-R2018-1/NP1 should not be unsealed and the Chamber should not be granted access to it.

Improper disclosure of CPC's commercially-sensitive information, including volume and revenue data for cross-border letter post (including packets) and parcel flows, would have a serious and significant impact on CPC's revenues and legitimate commercial interests in this vast and highly competitive market.

Thank you.

Yours sincerely,

Donald Campbell
Senior Counsel, Canada Post
